
SDT Presents *Made In Singapore* 11 – 13 March 2021

Singapore Dance Theatre (SDT) is delighted to announce the SDT Choreographic Workshop showing, *Made In Singapore*, held on 11 – 13 March 2021 at our studios. Initiated by Artistic Director, Janek Schergen, as an annual collaboration between SDT and budding choreographers, the SDT Choreographic Workshop has seen and groomed many talents. It differs from other dance workshops as its intention is to build on developing choreographic language through a sense of exploration.

For the first time, three company dancers, Etienne Ferrère, Timothy Ng and Reece Hudson, will be presenting original choreographies at the showing.
